SUMMARY

Detail-oriented social media and marketing professional with around three years of experience in organic content, audience engagement, and marketing coordination — including remote roles for teams in the US and Canada. Strong foundation in content creation, ad copy and graphics (Canva), campaign support, and brand consistency. Now transitioning into paid media buying and actively learning Meta Ads and Google Ads — campaign setup, audience targeting, budgeting, A/B testing creatives, and reading performance metrics (CTR, CPC, ROAS). Works effectively independently and within a team, with strong communication skills and a commitment to delivering quality results.
